If you see any error or have anything you want to add, please send me an email. Of course, I will give you all the credit for your addition and I will be eternally grateful to you. The email addresses are not published in the guide, unless you specifically indicate that you want it to be. Notes ---------- The most up-to-date version of this frequently asked question will be found at: https://www.GameFaqs.com/THIS is just a small guide to influence with your peers in the Star Wars game: Knights of the Old Republic II: The Sith Lords. Everything is listed twice, ordered by approx. when you would find location (so you can see which comments are relevant to you). Spoiler warnings are in the form of a list of the "success" list at the end of the guide. Contents ---------- 1. Introduction 2. Influence with Companions 3. Influence with Droids 4.
